Story Ideas

1. Discover why your doctor is being forced to give you the wrong medication.
2. Find out who is stealing \$1 trillion "healthcare" dollars a year.
3. Washington is the disease—it can never be the cure!
4. Discover a simple (but hard) way to get the care you need when you need it.
5. Unmask the hoax that says coverage = care. Then, learn how to get care.
